

Be Prepared with a *Northern Lights*

ON-BOARD SPARE PARTS KIT

Northern Lights spares kits have always provided security at sea, but now they're even better.

When you buy one of the **Standard Spare Parts Kits** for Northern Lights 5 to 20 kW sets, a rugged non-corrosive black case is included free. This case is perfect for keeping the parts and manuals together and organized for when you really need them.

You'll be ready for both routine maintenance and many of the more common problems the tough marine environment can deliver.

Northern Lights provides the power that makes your boating experience the best it can be. Keep a Northern Lights spare parts kit on board, and ensure the peace of mind that comes with being well prepared.

Order your On Board Spare Parts Kit through your local Northern Lights dealer.

Raw Water Pump Rebuild Kits

Raw water pumps face the brunt of the hostile marine environment and often need to be rebuilt before other components on your Northern Lights. The Spare Parts Kit includes impellers and gaskets. In addition, it's a good idea to keep a Raw Water Pump Rebuild Kit on board. Kit includes impeller, gasket, face plate, bearings and seals.
